To be at peace
Is to reach out,
And gently cease.

"HOW CAN WE PRACTICE
BEING AT PEACE WITH
CREATION?"

The world so still,
A beautiful sight,
Though its own,
A tainted fright.

Be of God
Not a fraud.
He gave us a task,
So do what he asked.

Have faith as small
As a mustard seed,
And he will guide
You in every need.

Not all is ours, not all we own.
The seed we plant, the soil has grown.
Practice being at peace with creation,
So we can live each
Moment with full admiration.
