What does Peace With creation look like to you?

Peace With creation looks like looking after God's Earth and being a guardian of God's world.

My art work shows that God lighted up the world and gave us light to see and look after his land and animals he created.

Why is it important for children and young people to reconnect with creation?

It is important because children and young adults should know that God's Earth is hurting and God's animals are hurting from pollution. We can help God's earth by buying less clothes and donating old clothes.
