Peace

With

CREATION

2 Corinthians 13:11
Finally, brothers and sisters
rejoice! Strive for full
restoration, encourage one
another, be of one mind, live
in peace. And God of love
and peace will be with you

The Sun represents God in this image. It's always there even when you can't see it, most days you can feel the warming presence of it and some days you can only feel a little. But the sun is still there help the plants thrive just like how God is always there helping us make good decisions.

The Rose in this image is us humans. We start off small but slowly grow into loving, kind and beautiful people in God's presence. No matter where we are or how we were feeling God will always be by our sides. We can grow ~~it~~ into beautiful people who can make this world better. Like a rose making things more colourful and cheerful everywhere they are, we can also be God's shining lamp looking after his world that he created.
