Peace with Creation

My illustration about the topic "Peace with creation" begins with our beautiful Earth, our precious home created by our Heavenly Father. In the very beginning, Our Father made the universe in six days and rested on the seventh day, this is a spiritual truth written in the first book of the Bible, Genesis chapter 1. There was a spark of light that was formed in the universe by the words of our God, which surrounded everywhere with life and beauty. Our Earth was gifted by God as a blessing to his beloved children, which is us, humans.

The two hands holding the Earth symbolize stewardship and humanity, shows that every individual has a responsibility to love our Earth with care.

The fruits of the Spirit, which are love, joy, peace, goodness, kindness, faithfulness, patience, gentleness and self-control are stated in the book of Galatians, chapter 5, verses 22-23. These are the virtues that significantly helps us to protect and take care of the environment. Our actions and thoughts matters to bring peace and unity to our Earth.
