

How can we practise being at
peace with creation👑

How can we practise being at peace with creation PART B

We can practise this by spending time in nature and using what god created for us and so something that makes us happy to be outside and we can also make suitable choices to help the earth.

The Earth, our home, is beginning to look more and more like an immense pile of filth"

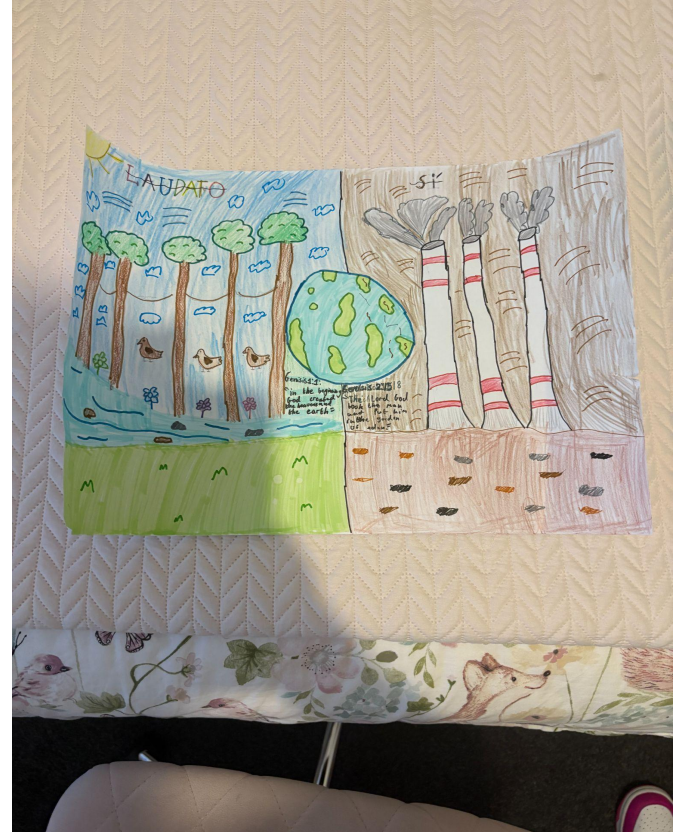

- i. Why is it important for young people to reconnect with creation?

Its important for young people to connect with creation because we have this land that god created for us and young people can use it and can use it to make them feel happy.

A reflection **(50 words minimum)** on how this teaching connects with your chosen creative piece. You can use other quotes or scripture

This teaching connects with my art work because i drew on one side a good earth and the other side pollution because its true our earth is being polluted and we don't want that we want a clean and sustainable earth that we can all care for and live on.
