Reflection Questions and my Art Piece

i. What does peace with creation look like to you?

Peace with creation is when people live in harmony with the Earth. It means using only what we need, reducing waste, protecting animals, and taking care of the environment so future generations can enjoy it too. It's about respecting nature as God's gift and living responsibly with thankfulness

ii. What Laudato Si Quote I Chose:

I chose the following Laudato Si quote "Sin is manifest in all of its destructive power in the abandonment of the most vulnerable, and attacks on nature.

iii. How this quote connects to my drawing

The quote connects with what I drew because my drawing shows the Earth split in two. The unhealthy side shows the damage caused when people and nature are hurt, like the quote says. The healthy side shows what happens when we take care of the world and others.

My Art Piece:
