An explanation of how caring for creation demonstrates our 2025 St Columba's college theme of Hope.

"The earth is our common home and all of us are brothers and sisters" (Laudato Si', 1).

In my artwork I drew a young person choosing their phone over spending time with nature to show the beauty of creation and our duty to care for it. This connects to Laudato Si' because Pope Francis teaches that creation is a gift to be protected, not exploited. By caring for the earth we live out stewardship and bring hope, showing we believe in a future where life can flourish. This reflects our 2025 St Columba's College theme of Hope, reminding us that every act of care for creation is a sign of new life and renewal.
