

**WHAT DOES PEACE WITH
CREATION LOOK LIKE TO
YOU?**

A Poem By Giulia Minniti

**The leaves wrap around me,
But I hear the calls and waves of the sea.
With the love of God in my heart,
I can take in his piece of art.**

**My dreams and fantasies come true,
And the sky is painted a majestic blue.
When I look up, I see the light,
Which is still present in the night.**

**With teamwork and collaboration,
We all share something for God, admiration.
In peace with Christ and my religion.
My life is no longer a crazy competition**
