Part B:

- In my creative piece, I'm showing a peaceful forest where man has not taken over yet. The air is clear of gas and smoke. The land is filled with trees instead of buildings. Watching over the land is God, looking over their creations in love and a sense of unity. Proud of all his work and all he has done. "God saw all that he had made, and it was very good. And there was evening, and there was morning—the sixth day."
