## Part B: Drawing

“The climate is a common good, belonging to all and  
ment for all.”  
—Pope Francis

## Part B: Drawing

### **What does peace with creation look like to you (drawing)?**

#### **Laudato Si Quote:**

"The climate is a common good, belonging to all and meant for all."

#### **Reflection:**

This teaching/quote connects with my drawing, because my drawing represents the world and people together, which relates to the quote by belonging to all.

#### **Explanation:**

Caring for creation demonstrates hope, because, even though the environmental struggles we have had over the years and present years we maintain hope through God's creation. We also maintain hope for God's renewal of creation; some examples are in Corinthians 5:17, "if anyone is in Christ, there is a new creation: everything old has passed away; see, everything has become new!", and Isaiah 65:17, which prophecies, "For behold, I will create new heavens and a new earth".
