

# 2025 Season of Creation School Competition

**School:** St Columba's College

**Year:** 7

**Teacher:** Ms McGuire

# Paragraph Reflection

1:

**What does peace with creation look like to you?** Peace with creation looks like people caring for nature and natural beauty, animals living safely, and the earth staying clean and safe. It means caring for the environment so that everything can grow and survive.

2: This teaching connects to my art work because it shows that God wants to look after the earth and the creation. In my art work I showed the good and bad side of creation and the damaged side. This link to **Genesis 2:15** where God tells us us to care for the garden and reminding us that our world is special and we need to protect it

3: Caring for creation demonstrates our 2025 St Columba's Collage theme Hope because it shows that we care for the environment and believe in a better future for the world. By keeping the environment clean, caring for animals and respecting the earth. What we do gives hope to others by showing that changing the environment in a positive way is achievable when we care for God's creation.
