

WHAT PEACE
WITH CREATION
LOOKS LIKE:

Explanation

The quote "Pour out upon us the power of your love, that we may protect life and beauty. Fill us with peace, that we may live as brothers and sisters, harming no one" connects to my creative peace because in the drawing it shows life and regenerating upon the flowers, and plant sprouts. It is also shown with the phone covered in moss because cyberbullying and overconsumption is harmful to everyone. With 'no factories' symbol it tells us that factories can be quite harmful to the environment and for peace with creation they must be removed. And lastly with the humans and the swans, it shows how we 'live as brothers and sisters' and with love 'harm no one'

Caring for creation demonstrates our 2025 St Columba's college theme of Hope because it shows that with the renewal and rebirth of the earth and all creations, there is hope for the future and a new beginning.
